

2011 Demo Reel Shot Breakdown List

1) Lip Sync / Acting, Cape Fear Dialogue Shot (9 seconds)

Programs: Maya and Photoshop

I used the Bishop Rig to animate this shot working from a sound track, as well as modeled the props and textured the shot.

2) Body Mechanic Jump Shot (6 seconds)

Programs: Maya and Photoshop

I used the Stewie Rig to animate this shot

3) Lip Sync/Acting Juno Dialogue Shot (16 seconds)

Programs: Maya and Photoshop

I used the Bishop Rig to animate this shot working from a sound track, as well as modeled the props and textured the shot.

4) Cookies (16 seconds)

Programs: Maya, Photoshop and After Effects

This is a scene from my Short Film at Animation Mentor.

I used the Bishop Rig and the Murdock Rig to animate this shot, as well as modeled the props and textured the shot.
